**Legislation Title:**

AN ORDINANCE related to the City's receipt of funds available from the American Recovery and Reinvestment Act of 2009; accepting funds from the Workforce Development Council of Seattle-King County allocated through the American Recovery and Reinvestment Act of 2009; authorizing the Mayor or his designee to execute related agreements; amending the 2010 Adopted Budget to increase appropriations for the Human Services Department; and ratifying and confirming certain prior acts; all by a three-fourths vote of the City Council.

• **Summary of the Legislation:**

This legislation authorizes the acceptance of grant funds made available through the American Recovery and Reinvestment Act of 2009 ("ARRA") and increases the 2010 Human Services Department Adopted Budget to authorize new expenditures.

• **Background:**

The American Recovery and Reinvestment Act of 2009 has \$1.2 billion in Workforce Investment Act (WIA) funds to provide employment and training opportunities to youth and young adults who are experiencing barriers to employment. Of this total, the Workforce Development Council of Seattle-King County (WDC) received \$3,111,122 through a formula allocation. Through a competitive grant process the WDC in turn awarded \$1,130,543 to the City of Seattle in 2009 for summer employment and job training experiences for youth and young adults ages 16 to 24 who were experiencing barriers to employment. These funds were accepted via Ordinance 123041, passed by the City Council on July 20, 2009. The City has since been awarded an additional \$100,000 of these funds to support efforts to provide winter employment opportunities for up to 25 young adults ages 18 to 24 who are not in school. These work experiences will teach participants job and social skills, provide positive role models, and help participants become more competitive in the workplace. Funding is for the winter of 2010 only with the contract between the WDC and the City of Seattle effective from December 18, 2009 to April 30, 2010.

## Office of the Mayor

January 12, 2010

Honorable Richard Conlin  
President  
Seattle City Council  
City Hall, 2<sup>nd</sup> Floor

Dear Council President Conlin:

I am pleased to transmit the attached proposed Council Bill, which accepts \$100,000 in federal stimulus Workforce Investment Act (WIA) Youth Services funds through the Workforce Development Council (WDC) of Seattle-King County. The Council Bill also increases appropriations to reflect the anticipated receipt of these funds.

The American Recovery and Reinvestment Act of 2009 allocated \$3.1 million by formula to the WDC of Seattle-King County. Through a 2009 competitive grant process, the WDC subsequently awarded \$1,130,543 to the City of Seattle for summer employment and job training for youth and young adults ages 16 to 24 who were experiencing barriers to employment. The WDC is now awarding the City an additional \$100,000 to provide meaningful winter employment opportunities for up to 25 young adults between the ages of 18 to 24 that are not in school. Funding is for the winter of 2010 only, with the contract between the WDC and the City of Seattle effective December 18, 2009 to April 30, 2010.

The work experiences made possible by funding from this Bill will teach job and social skills, provide positive role models, and help participants become more competitive in the workplace. Thank you for your consideration of this legislation. Should you have questions, please contact Eric Anderson at 386-1009.

Sincerely,

Mike McGinn  
Mayor of Seattle
